180MM · TRUSS FASCIA

180 N-LINE

A 180mm swaged steel truss fascia with a hidden clip system — no timber, no painting, and crisp, clean lines the length of the roof.

Ideally suited for new builds, and pairs with the full residential and designer spouting range.

- 180mm swaged truss fascia
- Sloping soffit up to 30°
- Soaker or hand-cut mitre corners
- 15 year perforation warranty
- Hidden, fast clip bracket system
- Bracket spacing up to 900mm

COMPATIBLE SPOUTING

Chief · Big Chief · Quartz · Quartz Plus · Cube 125 · Halo 125 · Halo 150 · Halo 200 · Archie Box*

FASCIA HEIGHT

180mm

*Archie Box limited to certain sizes. 180 N-Line is a regional profile — see availability below.

Fascia and truss bracket

The 180 N-Line panel clips onto a 0.95mm G300 steel truss bracket fixed to the rafter end, giving a 180mm face, an 18mm top return and a 37mm bottom hem with a 20mm soffit groove.

Brackets are spaced at up to 900mm and accommodate a soffit slope of up to 30°.
