150MM · OG CLASSIC

BIG CHIEF

Sometimes, standard just isn't enough. The Big Chief is for the homeowner who refuses to compromise on either style or practicality. It takes the timeless elegance of colonial design and amplifies it, providing a robust solution for the grandest of silhouettes. Bold Style. Massive Performance.

Ideally suited for old villas, bungalows and new homes with a classic soul — where the roof area needs more capacity than a standard Chief.

- 52% more capacity than Chief
- Continuous — no straight-line joins
- Tough marine-grade materials
- Internal & external bracket options
- Up to 20 year material warranty
- Matching downpipes & snow protection
