135MM · QUARTER ROUND

QUARTZ

It doesn't just manage the rain; it completes the architecture. There is a reason The Quartz is our most sought-after profile, designed with minimalist principles in mind. The Quartz offers crisp, clean lines that define the roofline without distracting from the overall design.

Ideally suited for modern new builds and renovations wanting a contemporary clean look. Our most popular residential profile.

- Generous 135mm quarter-round mouth
- Continuous — no straight-line joins
- Tough marine-grade materials
- Internal & external bracket options
- Up to 20 year material warranty
- Matching downpipes & snow protection
