185MM · QUARTER ROUND

QUARTZ PLUS

Sometimes the roof asks for more than the standard. Quartz Plus keeps the same crisp quarter-round line as The Quartz — just scaled up. 52% more capacity, so perfect for large roof areas without moving to a commercial-looking profile.

Ideally suited for large roof areas or high-rainfall environments wanting the Quartz look with more capacity. Modern new builds.

- Large 185mm quarter-round mouth
- 52% more capacity than Quartz
- Tough marine-grade materials
- Internal & external bracket options
- 15 year material warranty
- Matching downpipes & snow straps
